SUBJECT: Draft Environmental Assessment for Proposed Lease of DNRC land and Future FAS Site

Attached is the draft Environmental Assessment regarding the proposed lease of 22 acres of DNRC land for future development of a Fishing Access Site. The proposed Fishing Access Site (FAS) is located at Little Muddy Creek on the Missouri River 6 miles north of Cascade, MT and 8 miles south of Ulm, MT on Old US Highway 91. It is located on the left hand side as you float downstream on the Missouri River at river mile 2157.

The EA analyzes the impacts to the human and natural environment from the proposed action and alternatives. We invite you to review the attached EA and provide us with your comments no later than 5:00 p.m. on Monday, August 6, 2007.

Please mail comments to: Little Muddy Creek FAS EA, FWP, Region 4 Headquarters, 4600 Giant Springs Road, Great Falls, MT 59405. Comments may also be E-mailed to: rsemler@mt.gov

If you need additional information please contact the undersigned at 406-454-5846, or Mr. Roger Semler, Region 4 Parks Manager, at 406-454-5859.
